	<p>Do you have enough knowledge of HTML? (advertising agencies, webmasters...) Companies which call upon an advertising agency or have enough knowledge of HTML & CSS can rely upon a few guidelines for the job. We advise you to follow the following PDF file with guidelines. It ensures that your jobs are correctly viewed regardless of the browser.</p>
HTML & CSS guidelines for jobs	http://www.roularta.be/cs/Satellite/189/347/hallengetechsspecs.pdf?blobcol=urldata&blobheader=application%2Fpdf&blobkey=id&blobtable=MungoBlobs&blobwhere=1266476017683&ssbinary=true
